

Staff Report

Report No.: PWE 03-2019
Meeting Date: February 20, 2019
Submitted by: Jake Straus C.E.T. – Transportation Manager, Public Works & Engineering
Subject: Goudy Municipal Drain Improvement

Recommendation:

THAT the drainage works for the Request for Municipal Drain Improvement submitted by Ian Goudy proceed; and

FURTHER THAT staff be directed to notify the affected landowners and appropriate agencies of the Council's decision to proceed with the drainage works; and

FURTHER THAT following the notice to the appropriate agencies, Mike Devos, P. Eng. of Spriet Associates be appointed to prepare a Drainage Report for the creation of a Municipal Drain, all in accordance with the Ontario Drainage Act.

Purpose:

To obtain Council direction with regards to proceeding with drainage works under Section 78 of the Ontario Drainage Act.

Background:

A Request for Municipal Drainage Improvement was submitted to Middlesex Centre to request an upgrade to the existing Goudy Municipal Drain that services Pt Lots 21 & 22 Concession 9 and Pt Lots 21 & 22 Concession 10 in the former Township of London. The requesting land owner is looking to improve the capacity and functionality of the existing drain. The current drain cannot handle common rain events and as a result the land owner is receiving increased overland flows which is resulting in the scouring of his field.

Strategic Plans:
