

April 8 2019

To:

Ann Wright

I am writing this letter to request a delegation status at your upcoming council meeting on Wednesday April 10 2019.

Below are details of the event which will be presented to council

Presentation Topic: Oma's Big Green Egg Fest 2019

Date of Event: June 8 2019

Time of Event: 11AM-4PM

Estimated Number of Attendees: 300

Presentation Purpose: To obtain "Municipal Significance" for an SOP at the event

What is the Big Green Egg Fest:

This will be our 3rd annual Big Green Egg Fest. This is a great community festival where everyone can enjoy delicious food, drink and entertainment. Not only are members of the community able to enjoy the above but it also gives local businesses the opportunity to promote themselves and showcase their business to the general public.

This is a gathering of Big Green Egg fans and experienced cooks from around the community and beyond. Talented cooks will be showcasing their skills, while preparing and demonstrating their specialty recipes all day long on Big Green Eggs! The non-cooks (Tasters) (Members of the community) can stroll throughout the facility, sampling, and experiencing the wonderful "Egged" food while talking to the cooks about their recipes and techniques. Whether you have a Big Green Egg or not, **anyone** with an appetite and a love for *GREAT BBQ* is invited to come out to taste what our cooks have in store!

This is a family event, there will be a live band, paid bar, the tasting booths as well as a satellite store where a lucky few will be able to capitalize on a *SIZZLING DEALs* of Big Green Egg Products.

What makes Oma's Big Green Egg Food Festival truly unique though, is that it takes place in the beautiful town of Delaware where people are small town friendly and eager to support on another! Lots to learn, see, try and TASTE
